Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting \$1,000,000 in community project funding for the Las Vegas Metro Police Department Emergency Command Vehicle Replacement in fiscal year 2024. The entity to receive funding for this project is the Las Vegas Metropolitan Police Department, located at 400 S. Martin L. King Blvd., Las Vegas, NV 89106.

The funding would be used to purchase a new Emergency Command Vehicle to replace their outdated, deteriorating one that went into service in 2007. This non-armored vehicle will be used by the Special Weapons and Tactics (SWAT) to respond to subject barricades, hostage rescues, civil unrest, and large-scale emergencies.

The project is an appropriate use of taxpayer funds because it provides frontline first responders with a vital and reliable tool to protect the community.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Susie Lee".
